# NEUROSURGICAL SOLUTIONS

## WHO WE ARE

For more than two decades, OsteoMed® has remained sharply-focused on meeting the needs of surgeons and their patients by rethinking clinical possibilities with a focus on procedural efficiency, efficacy and uncompromising quality. A highly nimble and responsive company, OsteoMed® is a leading global innovator, developer, manufacturer and marketer of specialty medical devices, surgical implants and powered surgical instruments.

Our success is driven by the ability to quickly develop and deliver innovative, quality products focused on improving patient outcomes, and to offer technically advanced, simple and cost-effective solutions for surgeons, hospitals and patients. Our 60,000 square foot state-of-the-art manufacturing facility and world headquarters is located in Dallas, Texas. This allows us to offer remarkable responsiveness to those who count on our products.

## OUR HISTORY

OsteoMed was born in a 900 square foot office in Glendale, California in 1991 and moved our corporate headquarters to the Dallas - Fort Worth area in 1993. OsteoMed becomes a part of Colson Associates in 2002, other Colson medical device companies include Acumed LLC, Apex Tools & Orthopedics Company, MicroAire Surgical Instruments LLC, Precision Edge Surgical Products LLC and Skeletal Kinetics.

Today, OsteoMed is a leading global innovator, developer, manufacturer and marketer of specialty medical devices, surgical implants and powered surgical instruments.

We employ over 200 people and have over 150 distributors in more than 40 countries.
