

DE1270 HD Mobile Wireless Endoscope Camera

The DE1270 HD Mobile Wireless Endoscope Camera is a special purpose digital video camera designed for various endoscopic applications. Powered by a rechargeable lithium ion battery, this innovative device streams high definition live video (720p) to an iPhone, iPad, or Android device, enabling the user to view and record crystal clear images or videos.

The DE1270 HD Mobile Wireless Endoscope Camera was developed as the next generation of Firefly cameras for otolaryngology (ENT), Gynecology, Urology, and Cosmetic practices worldwide. Most common uses are for diagnostics, client communication and education, tracking changes over time, and general examinations.

With its many uses and applications, the DE1270 HD Mobile Wireless Video Endoscopy Camera is a versatile, easy to use tool at an affordable price. Please contact Firefly for more information.

About Us

Firefly is the award-winning manufacturer of wireless camera products for medical professionals worldwide. Firefly's innovative devices are small, portable, and easy to use, enabling healthcare professionals to wirelessly observe and record images/videos on their laptops, tablets, phones and desktops. Available in over 50 countries, Firefly products are popular in Telemedicine, Ear-Nose-Throat, Primary Care, Pediatrics, Audiology, Urology, Gynecology, Dermatology, and Veterinary applications. Organizations all over the world are seeing the benefit of using our devices to communicate with patients and clients, ensuring they get the care they need.

Our Vision

We are committed to empowering professionals by offering superior and innovative wireless and wired camera products. Whether you're documenting the health of a tympanic membrane or studying high-tech sensors, we know precision counts. We are always looking for new ways to create better vision, better results.

Our Philosophy

Firefly invests heavily in R&D and aims to serve its end-users by offering products through convenient and reliable channels. We provide our resellers and dealers with the latest technologies and highest quality products. We strive to form strategic alliances and long-term relationships with our channel partners by providing the best support in the industry.

Quality Assurance

Firefly provides quality goods at competitive prices. Our talented engineers listen closely to end-users to constantly improve our products to satisfy all of our customers' needs. Our experienced management team keeps our organization running efficiently, transferring savings to our customers. We invite you to look at our site and examine our products. As always, we welcome your feedback and suggestions.
